### MESSAGE

As you all are aware, one of the key principles of the Juvenile Justice (Care and Protection of Children) Act, 2015 is to mobilise all resources including those of family and community, for promoting the well-being, facilitating development of identity and providing an inclusive and enabling environment, to reduce vulnerabilities of children. The Act emphasizes on well-being of each child which is of paramount consideration.

The foundation of India's adoption system particularly under the Juvenile Justice (Care and Protection of Children) Act, 2015 (amended in 2021) is rightfully meticulous and child-centric, and that the fundamentals of this process are sound and robust. However, it has been observed by various authorities and agencies including CARA and the Ministry of Women and Child Development, GOI that the system can be improved and streamlined further so as to benefit children whose lives are greatly impacted by adoption through their placement with loving and caring families.

Section 68 of the JJ Act, provides that one of the key functions of CARA is to frame Regulations on adoption and related matters from time to time as may be necessary. The Ministry held several rounds of meetings with CARA to review its activities and in response, CARA held a number of capacity building programmes, webinars for framing revised Regulations to improve its operation.

As, Chairperson of the Steering Committee of CARA, I would like to express my gratitude to all those who have worked tirelessly and contributed to the cause of adoption directly or indirectly. I would particularly compliment the Prospective Adoptive Parents adopting older children and children having special needs and putting an end to their institutionalisation as these children are undergoing challenging physical and mental conditions.

I urge the States and UTs to strengthen their data base and work for strengthening their adoption programme in their respective States and UTs to bring more adoptable children in the adoption loop as family based care can essentially lead to welfare of all orphan and destitute children.

## Important Programmes and Activities

### 3.1 SAA-CCI Linkage

Linkage between Specialised Adoption Agencies (SAAs) and Child Care Institutions (CCIs) has been established with a view to reach every child without parental care. The SAA-CCI linkage has been expedited in the States and UTs as per the order passed by Hon'ble Supreme Court of India for mandatory registration and linkages of CCIs with SAAs with a view to reach every child without parental care. As on 30/12/2021, 5925 Child Care Institutions (CCIs) have been registered as per the provision of Section 41 of the JJ Act, 2015, out of which 5725 CCIs have been linked to SAAs and remaining CCIs are pending for linkage as Section 66 of the JJ Act, 2015. This does not include the existing 484 SAAs who are also CCIs as per Section 2(21) of the Juvenile Justice Act, 2015 (amended in 2021). A number of children in Child Care Institutions other than Specialised Adoption Agencies got family during the period.

### 3.2 CARA Helpline and handling of grievances:

The grievances are received primarily from Prospective Adoptive Parents (PAPs) including other stakeholders in the adoption process. The nature of grievances are mainly on medical grounds, delay in adoption process, seniority status, rejection by Adoption Committee of SAA, etc. Timely intervention by CARA is done in cases where there are delays in Court proceedings,

pendency at the level of Child Welfare Committee and in the matter of passport and birth certificate etc.

The complete grievance site is being redesigned to guarantee a competent complaint management procedure that tackles concerns in a timely, respectful, and proactive manner, safeguarding the institution's reputation, enforcing high compliance standards, and holding authorities accountable for non-compliance.

### 3.3

### Review of Parliamentary Committee

A meeting of the Parliamentary Sub Committee on "Review of Guardianship and Adoption Laws" was also held on 17.11.2021, the Parliamentary Committee also visited a local adoption agency to assess the functioning of the adoption programme and it has raised some queries which are being responded separately. States have been found to be enforcing various provisions of the JJ Act to streamline adoption procedures at various stages, including pre-adoption, adoption, and post-adoption, with the involvement of the CWC, DCPU, and SAA

### 3.4

### State Coordination

The In-Country Coordination section coordinated with States/Union Territories (UTs) & various stakeholders associated with

the adoption process which includes State Adoption Resource Agencies (SARAs), District Child Protection Units (DCPUs), Child Welfare Committees (CWCs), Specialised Adoption Agencies (SAAs) and Child Care Institutions (CCIs) across the country.

The section accomplished the task pertaining to issuance of support letters in cases of in-country adoptions to visit/re-locate abroad and pre-approval letters required for in-country adoptions.

The section also carried out other activities such as weekly referral cycle, physical/telephonic counselling, redressal of grievances received from Prospective Adoptive Parents (PAPs) & Adoption Agencies and issues pertaining to CARINGS Portal. Efforts have been made to reduce delays at the level of CWC and Court.

### **3.5 Rehabilitation of Special Needs and Older Children**

During the financial year and especially during the adoption month CARA paid special attention for rehabilitating children with special needs. A special needs child is a child who is mentally ill or physically challenged or both. The main disabilities include visual impairment, cerebral palsy, cleft lip palate, clubbed feet, hearing impairment, etc. During international adoption month, November a total number of 496 children had been made live on CARINGS portal for the purpose of rehabilitating them with families who were

open to adopting children with special needs. During 15th November to 16th December 2022, 285 Special Need Children were reserved.

### **3.6 Suggestions sought on Adoption Regulations**

With a backdrop of several government notifications in the year 2021 (Amendments in the JJ Act 2015 in 2021 on 9.8.2021, notification of Regulations on HAMA on 17.9.2021, notification on Right of OCI Card holders on 4.3.2021 and Role of Indian Missions abroad on 11.8.2021 and observations made by the stakeholders for revisions to the Regulations, it was thought necessary to make changes to the existing Regulations to further simplify the system and streamline the country's adoption programme. In this regard, several consultations were made with all stakeholders.

### **3.7 Programme in Jammu and Kashmir**

Union territory Jammu and Kashmir, erstwhile a state, has constituted a State Adoption Resource Agency(SARA) to deal with adoption related matters under the guidance of the Central Adoption Resource Agency constituted in terms of the Juvenile Justice (Care and Protection of Children) Act, 2015. It would also function as the executive arm of the Jammu and Kashmir government for promotion, facilitation, monitoring and regulation of the adoption programme in the UT and perform such functions as are prescribed under adoption regulations, 2017 issued by the Ministry of Child Development.

It integrates the two databases, it was launched in February 2011, further revamped in 2015, and is being hosted on the official website of CARA i.e. [www.cara.nic.in](http://www.cara.nic.in). This web based monitoring system provides a transparent and child friendly adoption process across the nation. It facilitates expeditious and smooth adoption, ensures transparency in the adoption process, increases accountability of implementing agencies, creates a network of stakeholders and maintains a national database to enable effective policy making and research. CARINGS provides online monitoring of the adoption and post adoption process by CARA at Central level and SARA at the State level.

The system can be altered dynamically to take policy based decisions automatically as and when there is a requirement to do so on review of the policies. There are two operational modules (implementing and monitoring modules) for discharging the functions of agencies and authorities in a user friendly online web interface. It enables the authorities and agencies to perform the following functions:-

3.9.4 The new simplified online portal called CARINGS 3.2 has been made operational during this period including new in-country relative adoption & In-country post adoption follow-up modules. Through the relative adoption portal, CARA is able to collect the information on domestic relative & step

*Dear Chief Secretary,*

Today the Country is dealing with one of the most severe pandemics in recent history of human civilization. While we are resolute in our commitment to prevent and protect all our citizens, I wish to draw your attention towards the issues impacting children in these circumstances. Their perils range from loss of daily routine and related mental distress to losing their loved ones and parents to COVID.

2. The Ministry had issued advisories and guidelines for encouraging COVID appropriate behavior, monitoring of Child care Institutions and coping strategies during COVID times for de-stressing children, last year. Recently, support for Child psychosocial care & counseling by SAMVAD(Support, Advocacy & Mental health interventions for children in Vulnerable circumstances And Distress)-a national initiative managed by NIMHANS with support of Ministry of Women and child Development, has also been extended to all stakeholders vide OM dt. 27.04.21. I am hopeful that due action is being taken for care and protection of children already registered in juvenile justice set up, including Child care Institutions. However, immediate measures are to be taken for children recently orphaned due to COVID.

3. Under section 2(14) of the Juvenile Justice (Care and Protection of Children) Act, 2015 (hereinafter mentioned as the Act), children without parents or care givers are defined as children in need of care and protection. The Act and Rules made thereunder mandate a safety net of service delivery structures along with institutional and non-institutional care for these children. It also prescribes detailed Standard Operating procedure for rehabilitation of such children.

4. The Ministry is also implementing a Centrally Sponsored Scheme namely Child Protection Services (CPS) in partnership with the State Governments /UT Administrations for delivering the institutional and non-institutional care as stipulated under the Act. A 24x7 helpline for children, called Childline is also implemented under the scheme, for extending outreach and support to children in distress situations

5. In light of the foregoing, I would request you to direct the District Magistrate in all the Districts of your State/UT to ensure that immediate action is taken for rehabilitation of COVID orphaned children in accordance with the provisions of the Act, and rules thereunder, while leveraging the facilities funded under the scheme for Child protection Services.

6. It may be ensured that such children are produced before the Child Welfare Committee (CWC) within 24 hours, excluding the time necessary for the journey (Section 31 of the Act). Digital platform for interaction may be used in exceptional cases where physical interaction is not possible in current circumstances due to COVID related restrictions. The CWC shall ascertain the immediate need of the child and pass appropriate orders for rehabilitation of the Child(Section 37of the Act), either to restore the child to care givers or place her/him in Institutional or non-Institutional care, on case to case basis. Effort should be made to sustain the children in their family and community environment as far as possible, while ensuring their safety in their surroundings and safeguarding their interest, as prescribed under the Act. If the Child is restored to any kind of kinship care, CWC will continue to check the well being of the child on regular basis. Care must be taken to protect the identity of the Child to avoid undue distress to her/him, as provisioned under section 74 of the Act. COVID protocols as prescribed by the competent authority may be followed, while delivering these responsibilities.

7. The information about any child who has lost both the parents may be shared with Childline (1098). The local Childline unit will contact the child to confirm the case and ascertain the well-being of COVID orphaned child. Childline will help produce the Child before the CWC within 24 hours. Local Childline unit will also assist CWC in monitoring the well-being of the Child as and when required.

8. The District administration under the District Magistrate may take all necessary measures to restore normalcy in the life of COVID orphaned child on immediate basis. In this regard, the District Magistrate shall be assisted by all the stakeholder agencies, including those working for protection of children i.e. local Police, District Child protection unit, local Childline unit, Child Welfare Committees etc.

9. The District Magistrates may also be asked to review the action taken regarding such children on daily basis, and submit a report to the State government. State Commission for protection of Child Rights may also be involved in monitoring the status of these children. A weekly report may be submitted to Ministry in this regard.

10. Your personal intervention in this matter, along with periodic review, will be extremely helpful to ensure proper rehabilitation of COVID orphaned children on priority.

*With regards,*

Yours sincerely

**Dear Madam/Sir,**

It has come to the notice of Ministry that several children are facing serious distress in the event of parents getting infected or hospitalised due to COVID. Some of them have lost their parents to pandemic. COVID being an infectious disease, community support is often restrained, making children extremely vulnerable. In these situations, it is imperative to provide immediate support and rehabilitation to these children under juvenile justice set up. In this regard, a letter dated 30.04.21 has been written by Secretary, Ministry of Women and Child development, to the Chief Secretary of your State, requesting to ensure immediate action for rehabilitation of COVID orphaned children, in accordance with the provisions of the JJ Act and leveraging the facilities under Child protection services.

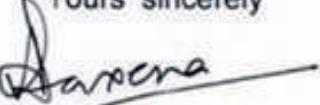

2. A meeting with all the States/UTs was also held under the chairmanship of Secretary, Ministry of Women and Child Development on 30th April 2021, to assess the situation and needs of women and children during the COVID pandemic presently. It was learnt that some of the States (Andhra Pradesh, Madhya Pradesh) have designated one Child Care Institution (CCI) or Fit facility in each district, to provide temporary shelter for few days to the children whose parents are affected with COVID and have been hospitalized. It is a good initiative, useful for children whose parents are unable to take care of them temporarily. Hence it is requested that at least one CCI in each district may be identified to support children for the interim period, when their parents are indisposed due to COVID.

3. All the hospitals and COVID care facilities in the District may be informed regarding the arrangement. Contact details of Child Welfare Committee members, designated Child care Institutions (to support children during parents' illness), and Childline number (1098) may be prominently displayed at the reception of the hospital or COVID care facility. The hospital reception can guide the parents to send the children to such Child care Institutions. They may also inform Child welfare committee or Childline, in case children of any patient are found facing difficulty. District administration may be asked to ensure display of 1098 and Child Welfare Committee (CWC) numbers at other public places also.

4. You may also consider issuing a public notice in the local language, to guide public regarding lawful course of action to be taken in case of children who have lost their parents to COVID and have no one to take care of them.
5. Your personal intervention and supervision in this matter will be greatly helpful in ensuring best interest of children during the COVID pandemic.

*With regards*

Yours sincerely

#### A. General

A.1 As per investment pattern prescribed by the Ministry of Finance in 2015 for investment of non-government provident funds, superannuation funds and gratuity funds, up to 45 *per cent* amount could be invested in Term Deposit Receipts of Banks. CARA invested the entire accumulated funds amounting to Rs. 254.15 lakh of Gratuity and Leave Salary in fixed deposits of Syndicate Bank and Union Bank of India, which was inconsistent with the pattern prescribed by the Ministry of Finance. CARA has assured (October 2022) that remedial action is underway and is expected to be completed during 2022-23.

**A.2.** Advances amounting to Rs. 11.13 crore were lying outstanding as on 31.03.2022 (Schedule - 11), out of which an amount of Rs. 10.96 crore was lying outstanding from 2008-09 to 2021-22. This issue was also raised in previous year Separate Audit Report. Urgent action may be taken to settle the outstanding advances.

**B. Grants-in-Aid**

CARA received a grant of Rs. 658.00 lakh during 2021-22 from Ministry of Women and Child Development. Out of this, Rs. 84.00 lakh was received in the month of March 2022. It had an unspent balance of Grant-in-aid of previous year of Rs. 44.34 lakh (returned to MWCD & CFI). It had an internal receipt of Rs. 10.55 lakh. Out of the total of Rs. 668.55 lakh, CARA had utilized an amount of Rs 642.71 lakh leaving an unspent grant of Rs. 25.84 lakh.

**C. Management letter**

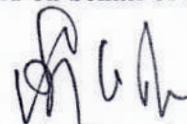

Deficiencies which have not been included in the audit Report have been brought to the notice of the Central Adoption Resource Authority (CARA), New Delhi, through a management letter issued separately for remedial/corrective action.

v. Subject to our observations in the preceding paragraphs, we report that the Balance sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the book of accounts.

vi. In our opinion and to the best of our information and according to the explanation given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:
